CAREER OBJECTIVE

Hard-working Computer Engineering Major currently attending Tribhuvan University (I.O.E), with few months of work experience. Aiming to leverage a proven knowledge of web design and programming skills to successfully fill the role at your organization. Frequently praised as focused by my peers, I can be relied upon to help your organization achieve its goals.

EXPERIENCE

Truelancer

Freelancer, Jun 2020 – Present

I get to work in variants of projects. Rather than learning a categorical types of projects, I get to learn and experience different kinds of projects in different languages and frameworks. Truelancer helped me to improve my communication skills and taught me how to showcase my skills to the client, it genuinely edified me on the side a client wants me in.

Blend Group of Companies, Pune India

Data Science Instructor and Developer, Sep 2020 – Present

Blend helped me to build myself as a team member and exposor of myself to the corporate world. The only things I missed were teamwork and exposor to the corporate world. Blend was a good source for me to achieve these qualities.
